Phoenix Realtors Get Well-Deserved Boost

*Brokers in area's only success story rewarded with Hawaiian trip
Winners of Grand Prize Drawing announced*

(PHOENIX, AZ) – Robert Sheridan & Partners announced the winners of its Grand Prize Drawing on November 15th, honoring the efforts of all the Realtors involved in the close-out of Lakeshore at Andersen Springs. The Phoenix metro market sell-out is one of a rare few – if any – national U.S. condominium conversion success stories in more than a year. Lakeshore's success is impressive considering the state of Phoenix's market – considered one of the hardest hit in the country according to national news reports.

In order to be eligible for the drawing, Realtors needed to be involved in the closing of the Lakeshore project. The three winners chosen in the drawing to win were: Nikeda Lee of Keller Williams (first prize) a one-week trip to Hawaii, Tawania Nelson of First USA Realty (second prize) a 3-day/2-night stay at Disney's Grand California Hotel; and Sara Medina of American Realty Brokers (third prize) a 60 GB iPod with \$100 iTunes gift card. Mr. Richard G. Berry, Principal of Robert Sheridan & Associates, presented the awards at the Zeleznak Group Offices.
